

## *A Note from Wall Street Shetlands...*

Due to involvement in various projects, which demands more and more of our personal time, it has become obvious that we will not be able to devote the amount of time necessary to maintain the standards we set at the beginning of our program. Therefore, we have decided to offer our beautiful American Shetlands in this dispersal sale with the exception of: B&L's Rock "E The Admiral, Wall Street Rock E Roxx, and a few broodmares for our enjoyment. Our time with the Shetlands will always be a treasure to us.

## *A Note from Vermilyea Farms...*

I was introduced to the American Shetlands at Modern Miniatures, Kay Pate & Bobbi Kay Bowen, where I keep my herd of Miniature Horses. Several years ago, I paid Modern Miniatures a visit and during this time there, an American Shetland stallion named B&L's Bar G's Rock "E" Hershey Bar caught my eye. Shortly later Hershey was sold to Wall Street Shetlands. Around three years ago, on another visit to Modern Miniatures, I saw another great American Shetland stallion, Star Strucks Diamonds Golden Image BK, who happened to be a grandson of the beautiful Hershey. On this very same visit, I also saw a gorgeous bay filly by Golden Image, Star Struck Gold's Bay Beauty (3x National Grand Champion Halter Mare). This led to my decision to purchase some American Shetlands of my own. This last summer, I asked Bobbi Kay to see if it was possible to purchase the great stallion, Hershey, that I had admired so much.

Now fast forward and this has lead to this Sale Of The Century. Vermilyea Farms, Modern Miniatures, and Star Struck American Shetlands is the proud new home of the legendary stallion, Bar G's Rock "E" and his son, B&L's Bar G's Rock "E" Hershey Bar. A few select broodmares and show prospects are being retained as well. I would like to thank Bobbi Kay Bowen and Kay Pate for their tremendous help and my introduction to the beautiful American Shetlands.
